Café Church Summer Service

Our 8AM summer service is held around tables in the Gathering Place where coffee and bagels can be enjoyed. We will have all the elements of worship, including celebration of the Lord's Supper on the first Sunday of the month. Our traditional service is at 10 o'clock in the sanctuary. There will be no 8AM service on Sunday, June 26. We encourage you to attend our 10AM service to hear from our Consultant about the Church Survey.

Art & Music Ministry **Monica Pavel Kissinger, Director**

The summer months give us all a break from the routine of the school year. I personally enjoy the change. I must say that I especially will enjoy not waking up so early to take Sofie to school. Sofie had a wonderful year, where she thrived in school and in her extra curriculum activities. Anya was a bit bored at home waiting for Sofie to return from school, but she is pretty good at getting herself entertained. They both got very good at skiing and gymnastics this year, and now their father thinks mountain biking is a great skill to have. I disagree... I try to stay away from anything that sounds dangerous for obvious reasons. I am continually grateful to be able to use my hand and leg with very little or no restrictions post all my injuries. It's been 2 years since my accident, and even though I am fully recovered, I still have work to do. But I thank God for He's done for me and for healing me. This summer I am very excited to participate in an advance trip to Italy, a preview tour offered for free to the choir directors that will participate in the Choral Festival in Rome 2023. As you've heard, our Chancel Choir will participate at this Choral Festival along with other choirs. While I'm in Italy this summer, I'll be able to preview the accommodations, chosen sites to visit, concert venues, and all other aspects of the trip. I'll be able to suggest or request changes to the itinerary to better customize it to our group and bring information back to the trip participants, so they'll know better what to expect. Since I'll be in Europe, I'll continue my unpaid summer month vacation there where Josef and the girls will join me. We'll be back in August.

Since I'll be gone the week I originally had planned to have the Summer Choir Camp for Children, I will now change the date to August 23-25. The program will be from 9:30-12pm for kids ages 5-13. The program will include lots of singing, introduction to music theory and music history, ringing bells, and playing musical games. We will sing our repertoire on Sunday, August 24 at the 10 o'clock worship service.

I wish you all a fantastic summer!

Your Mission Supports: Haiti Nursing Foundation

While increasing gang violence and political instability continues to create challenges for Haiti, including stifling food and fuel costs, FSIL is managing to maintain its standards of excellence in nursing education, enrolling the largest starting class in its history. The immense generosity of supporters like you helps to bolster this resolve.

In December, an appeal was made to purchase laptops to accommodate this increase in students. With funds raised from individuals, churches, civic groups and foundations, HNF will be purchasing 45 laptops soon and shipping them to the nursing school. You can

imagine the life-changing impact a gift like this can have on the future of a student.

In recognition of the essential role of nursing education during the pandemic, and in celebration of its historic and continuing inspiration to nurses everywhere, the National League for Nursing has announced 2022 as the Year of the Nurse Educator. All

this month, nurses on the HNF Board of Directors will match donations made to celebrate nurses up to \$10,000.

Save the date! HNF's annual fundraiser, "From Haiti with Love", will be held in-person this year at the Ann Arbor City Club on October 21, 2022 and will feature fine food, music, auction items and the priceless opportunity to reconnect with those who share our love for FSIL. The event date was postponed due to the pandemic, and was originally scheduled for April 8. I am looking forward to seeing many of our supporters there.

Thank you so much for all of your gifts and prayers. The students and staff at FSIL are grateful for all you have done and continue to do.
Stay healthy and be well.
