Kids Club Newsletter

June | 08 | 2023

Summertime is upon us! I don't know about you parents, but I can't believe we are at the end of the school year already. What an amazing 2022-2023 school year we had here at FPC Kids Club. We had a total average of 12 kids a week attending kids club. We performed Christmas Plays, Easter Plays, created awesome crafts, planted a garden, played fun games, and made lots of amazing memories. I hope we can continue this adventure into the summer. I know that with summertime and school being out for me means routine and schedules fly out the window. Kids during the summer can become "bored" and "restless" due to lack of the routine they're use to. That's why I am choosing to extend our Kids Club into the summer. The goal is to keep the kids outdoors, active and connected to a familiar routine. I have a lot of activities already planned for us, so please join us for our summer extended Kids Club, invite your friends to join as well, the more the merrier.

School**

## This Month's Focus:

VBS is just two weeks away!! I'm so excited to be doing my first ever VBS using the grow curriculum. Your kids will have fun solving mysteries of the Parables using their detectives' skills. We also have two special guests appearing on Thursday June 22 and Friday June 23 of VBS. So, make sure your child is register today. Following VBS Sunday June 25 you child will performing their VBS song for the Sunday morning service. You and your family are also invited to join us for a VBS Family Picnic following service.

## Kids Club Events:

- **VBS | June 20-23**

VBS June 20-23 from 9am-12pm.

Join us for games, singing, stories of the Parables, snacks, and special guest. Register today with Renee at [renee@fpchs.org](mailto:renee@fpchs.org)
